

KITTEN'S JOY

El Prado (IRE) - Kitten's First by Lear Fan

100 SWs

One of the most important sires of our lifetime is 8 Time Leading Sire Kitten's Joy who on this day sired his 100th and 101st Stakes Winners.

Now with 12 crops, it is worth noting that only Tapit, Medaglia d'Oro, and Giant's Causeway reached this centennial milestone sooner.

To understand Kitten's Joy's influence, one need look no further than today's race results.

In addition to new Stakes Winners Catman and Don Juan Kitten, he is also the sire of Grade 1 winner Sadler's Joy (\$2,648,160) who placed in the Grade 1 Joe Hirsch. He is the broodmare sire of the Pilgrim (G3) winner at Belmont, the Selima winner at Pimlico, and the second place finisher of the Thoroughbred Club of America (G2) at Keeneland.

This important stallion is a tribute to one man's belief in his horse and his love for his wife. Well done Mr. Ramses. It is a privilege to welcome Kitten's Joy to Hill 'n' Dale at Xalapa.
